

## Arte – Wallcovering Designer

### JOB DESCRIPTION

- You design eye-catching but balanced wallcoverings that set the tone in the interior design world.
- You keep up with the latest industry trends and are always on the lookout for innovative ideas that make the difference.
- You work in tandem with the manager of our design studio, pitching your creative ideas to him.
- You coordinate every step of the process for our collections, from design to production.
- You communicate with all our partners (designers, engravers, manufacturers...) every step of the way.

### PROFILE

- You have an enthusiastic, positive mindset and like to surprise people with your creative designs.
- You keep up with the latest trends and are a stickler for detail.
- You have a professional Bachelor's degree in (textile) design or several years of relevant experience.
- You speak some English and French.
- You have a good working knowledge of software such as AVA, Photoshop and Pointcarré.
- You are used to working autonomously but are keen to discover group dynamics by working in a team.
- You are stress-resistant and flexible when necessary.

### WE OFFER

- Join Arte for an opportunity to work for a warm, welcoming, and creative family business. The 'Arte for You' team regularly organises fun activities that contribute to a great atmosphere at work.
- You love to unleash your creativity, with designs that make the difference in the (international) interior design world.
- We offer an open-ended full-time employment contract, as well as an attractive package of extra-legal benefits (luncheon vouchers, hospitalisation insurance, a group personal pension scheme and eco vouchers).
- You can convert your year-end bonus into benefits, e.g. to lease a company bike, multimedia devices, additional holiday days, and so on.
- Arte invests in your personal development, which is why you can follow training that is relevant to your job and requirements.
- You are entitled to 9 additional holiday days on top of your annual paid leave, as part of compensatory rest. We value a good work-life balance.
- Finally: you get to work in pleasant surroundings and traffic jams will be a thing of the past.
